Dear Sir: Some Time, during February of This year, I had word through Mrs Cammann, That you might be interested in seeing a group of gold and silver coins of Siam. of The "bullet" variety. With The possible view of purchasing

The same. My intention was to send you the coins at once. but I discovered that the gold ones were not in my bank deposit-box, but were in a trunk, in storage.

I am now in possession of the trunk, and will be glad to send you the coins for your inspection, should you so desire. I can also give you a short-

account of the history of this issue. Should you be interested.

Very truly yours.

Dear Mr Wood.

Your kind letter of April 20th was recd. Regarding the bullet-Coins of ancient Siam which were collected by my father in that country many years ago. I have recently found some interesting information, among his old papers. The subject has engrossed me very much, and I have been tremendously interested in trying myself to place these

different coins just as a matter
of personal interest to me.
I have sent to my brother in
Siam for additional information
and would like to hear from him
before parting with the coins.
If you will kindly bear with
me a little longer, I will be
glad to send you what I have
gathered together. I should
hear within a short time, when
I shall send you the lot.
I knew very little about them.
consequently the study has been
of great interest to me. Probably
you have duplicates of all

these which I have. But I
will send them, nevertheless.

Very Truly Yours.
Mary C. McFarland
